Developing Lasting Life Skills

'Eunoia' is inspired from our Child First ideology where our activities and initiatives are crafted to nurture the mind of a child. Children get the opportunity to explore the world around and develop different dimensions through it.

MIND

EUPHONICS

This language-based program provides a strong vocabulary foundation using letters and sounds of the alphabet.

MathLab

Understanding mathematic concepts with hands-on activities, concrete objects and repeated experience is the objective of this program.

SCIENTIFIC SPARK

This program focuses on understanding the scientific world based on observation, investigation, prediction, evidence and reasoning.

BODY

EUROFIT

A fitness program designed by certified trainers to develop your child's motor skills, muscle strength, mind to muscle connection, a strong athletic base and love for fitness.

YOGAKIDS

We introduce yoga to help your kids use their body in a healthy way, through breathing, meditation, awareness and healthy movements.

SOUL

EUROMUSIC

This unique outcome-based music program includes picture books, music videos and fun activities to help children develop and practice skills for social and emotional development, language and literacy.

MINDFUL+

This program aims to help children become self-aware while focusing on the present and helps them manage emotions, develop self-regulation and improve concentration.
